Trump is the true defender of women?

The Daily Beast recently reminded us of a 2001 episode of "The Howard Stern Show" in which Trump and then-New York Daily News gossip columnist A.J. Benza argued over whether or not Trump stole Benza's girlfriend.

The argument was over model **Kara Young**.

Trump told Benza: "**I've been successful with your girlfriend**, I can tell you that."

Benza said of Trump: "This guy bangs Russian people.

"He used to call me when I was a columnist and say **'I was just in Russia, the girls have no morals, you gotta get out there.'"**

Trump said: "A.J., any girl you have I can take from you if I want ...You're full of shit."
